Book _____ Assignment: _____

You are the artist or illustrator. Your job is to draw something about the story. It can be a sketch, a diagram, cartoon, or even a scene just using stick figures.

Here are some things you might want to draw:

1. a character
2. the setting
3. an exciting part
4. a surprise that happens
5. something that the story reminded you of

Do your drawing on the other side of this paper. Don't tell your group members what your picture is until you're ready to talk about it.
